

Popular Milwaukee Radio Show Hosts Launch Podcasts Business Leaders Will Share Financial Advice and Community Service Opportunities

Milwaukee, Wisconsin (May 14, 2019) – Two popular Milwaukee radio shows will debut on-demand podcasts next week. Karen Ellenbecker and Jill Economou currently host *Money Sense* and *Milwaukee's Philanthropic Community*, respectively, on WISN-AM 1130.

Ellenbecker said, "I've hosted *Money Sense* for more than 25 years. Every year it seems listeners get busier and busier. The modern listener can't always tune in at showtime and expects to be able to access content on their own schedule. So, I'm thrilled to be able to offer our shows as podcasts."

Ellenbecker Investment Group, Inc. (EIG) produces the shows to give back to the community. Julie Ellenbecker-Lipsky, EIG President and Senior Wealth Advisor noted, "We hear two common themes from our clients. They want to know how to best manage their money and how to use their money to help others. These podcasts answer those important questions."

The podcasts will debut on Tuesday, May 21. Podcasts will be available on Apple Podcasts, Google Play, and online at <https://www.ellenbecker.com/moneysense> or <https://www.ellenbecker.com/milwaukeesphilanthropiccommunity>
