

DIRECTIONS: We are located in the Plaza Corporate Centre, which is on the West edge of the Country Club Plaza between Madison Ave. (Madison is Southwest Trafficway to the North) and Summit St.

PARKING: The most convenient visitor parking area is north of the building in the attached parking garage, and is denoted with a letter “P” on the map above. Use the Summit St. entrance on the East side of the building to access this parking area, which is on the roof.

Using Summit St. Garage Entrance: Please note that Summit St. is a two-way street north of 47th St. The North entrance of the parking garage is closest to the visitor parking area on the roof of the garage (see map above). You may park in any unreserved space on the roof.

FINDING OUR OFFICE: Enter the building via the sky bridge, which exits onto the 4th floor. Take the elevator to the right up to the 7th floor. After exiting the elevator, turn right. Our office is at the end of the hallway.
