

## Carroll, Ohio hosts new commercial business center

Feb 19, 2022

The Fairfield County Chamber of Commerce will host a ribbon-cutting ceremony on March 3 at 4:30 p.m. to celebrate the grand opening and new home to Disbennett Wealth Management Group.

Disbennett Wealth Management Group joins the Greenfield Township community with a brand new building located at 4660 Old Columbus Road NW in Carroll, Ohio, according to a news release. The new 4,400-square-foot facility includes an education center and a state-of-the-art conference room, along with a tax wing, tenant office space, and plenty of room to grow in the future. The building was designed with a warm and inviting lodge-style setting that welcomes guests.

Disbennett Wealth Management had outgrown their previous location near downtown Lancaster. Owner and CEO Chad Disbennett said, “I was looking in areas that would still allow me to service and be a part of Central Ohio, but also allow the company opportunity for growth”. The new location is more than double the size of the former space, and will not only house Disbennett Wealth Management Group, but will also be home to Walker Accounting & Tax and Senior Benefits Specialist Jonathan Hoop.

“It is our hope to be able to help our clients in all aspects of their financial life, so it only made sense to be in a facility where they could get their financial, tax, and insurance needs handled in one convenient location,” says Disbennett.

Disbennett Wealth Management Group is an independent financial firm owned by Chad Disbennett, creator of the Wealth With Clarity process, helping business owners, executives, healthcare professionals and independent women better understand the confusing world of financial planning. As a financial educator, best-selling author, speaker and retirement income specialist, Disbennett teaches clients how to preserve, protect, and pass on their wealth.
