When:

Friday, September 16, 2016
Noon to 2:00 PM

You and a guest are cordially invited to our **10th Annual Power Of Women Luncheon**.

Over the years, this has become STARCARE's signature event and my favorite day of the year. This year, we get quadruple the fun and celebrate 4 milestones.

The luncheon is based on a simple notion: "The world is a better place when women run more of it". What we want to share is:

- Thank you, ladies for trusting us with your dreams and being the majority of our clients for 40 years.
- Thank you for choosing STARCARE for 25 years as your financial partner.
- Thank you for supporting the work of the STARCARE Foundation as we've contributed over 15 years to dozens of deserving charities
- Thank you for helping our Power of Women luncheon be a success and make a difference in many lives.

**Keynote Speaker
Congresswoman
Mimi Walters**

Keynote Address

We are thrilled to welcome this year's Keynote Speaker, **Congresswoman Mimi Walters**, Representative of California's 45th District.

A former investment executive, **Congresswoman Mimi Walters** has been committed to an active life in public service for two decades. She served as a member of the Laguna Niguel City Council from 1996 to 2004, and Mayor of the city in 2000. She later served in the California State Senate from 2008 - 2014, and was elected to the House of Representatives in November 2014, representing the 45th Congressional District of California.

The native Californian is a founder of the California Women's Leadership Association and has served on several local boards. She graduated from the University of California at Los Angeles, with a Bachelor of Arts degree in Political Science. She and her husband David, have 4 children.

**2016 Philanthropist
of the Year Bill &
Molly Bracken of
Bracken's Kitchen**

Philanthropist of the Year

Several years ago, Bill Bracken left a successful career as a Celebrity Chef (think The Peninsula, Beverly Hills, The Four Seasons, Newport Beach) to address the issue of hunger in Orange County. His wife, Molly Bracken took on more responsibility in the workplace (like many great women do) to support the mission and their family. In three short years, he has achieved significant success in building Bracken's Kitchen and forging partnerships with like minded organizations to more effectively coordinate the complexities of rescuing food, storing it safely, preparing it creatively, insuring it's healthy, transporting it to where it's needed, and transforming lives by serving it with dignity and smiles. We are excited to recognize his efforts as our 2016 Philanthropist of the Year. We likewise recognize Molly for her selfless sacrifices to be his partner in this important adventure. We congratulate Bracken's Kitchen for their success and thank them for allowing The STARCARE Foundation to be a small part of the good they do..

As usual, I'm the luckiest guy in the world with Team CARE to host these speakers and you -- the empowered women that you are as you fight for those you love and for what you believe in everyday, in a world that still isn't completely fair. Still, you struggle and make your mark. Thanks for letting me be a small piece of your important puzzle.

How grateful am I that all 4 of these important anniversaries come together. They fill my heart and enrich my life. Forty years is a long time in the same job. I wouldn't trade it for anything and certainly no amount of money. Twenty five years of building STARCARE and loving California are blessings. I started the STARCARE Foundation fifteen years ago, just after 9/11 because I hurt for my country and had to find some way to help it heal. Today, it makes a small difference in the world and a big difference in the way I live. Ten years with you at our luncheons started with humble beginnings. Today, I am thankful and proud to be a man that respects and cares about women. I hope this event is a light that warmly shines on a truth; "The world is a better place when women run more of it."

We're delighted again to be at the beautiful Fairmont Hotel, just a few blocks for John Wayne Airport and convenient to most freeways. Of course, your valet parking is included.

Half the seats are booked; please get your reservations in to Celeste right away.
