Jack Kraus**

We are pleased to announce that Jack Kraus, Shadow Valley resident, is the recipient of the Moments of Integrity award.  
*Congratulations Jack!*

Jack is not only an accomplished athlete but a great student as well. He graduated from BHS with Honors, Class of 2014. He is now on to the University of Arkansas on scholarship where he will play Tight End for the Razorbacks. Jack has definitely displayed moments of integrity on the field and in the classroom. He is very deserving of this recognition!

Here are just a few testimonials from people in Jack's life who would also like to honor and congratulate him:

**Barry Lunney Jr. - Tight Ends Coach University of Arkansas Razorbacks and SVCC Resident** - Jack is a very gifted and talented football player and has an extremely bright future as a tight end for us. I've known Jack since he was in the 7th grade and have watched him develop and mature into a great football player and a fantastic young man. Two things that have impressed me the most about Jack are his humility and his consistency. I can't remember him ever missing a practice, off-season workout or a game in his entire career. He is the same every day, and that isn't the norm. That will help him tremendously as he begins his college football career. Jack has a humility to him that is very refreshing in the day and age of it always being about "me." Truthfully, he has every reason to have an ego but I just don't think it's there. He's always been a great teammate, is very coachable and respectful. I'm looking forward to being his coach again and watching him develop into a great SEC tight end.
