### **Kalejta Financial Management Joins List of Employers at Ursinus Career Fair**

(Trappe, PA) 1/26/17 – Whether looking for a summer internship or a potential career, students at Ursinus College should expect to see Kalejta Financial Management on Wednesday, February 15<sup>th</sup> 12-2pm in the Floy Lewis Bakes Center for the college’s annual career fair. Kalejta Financial Management, a financial services firm based in Trappe, has been a career fair partner with Ursinus since 2011.

“By employing an intern every year, I believe we’re making a way for today’s students to gain valuable experience, develop their skills and strengthen their resumes. There is a real sense of joy in helping students in their path to career development and success,” said Thomas A. Kalejta, President.

Kalejta Financial Management has employed many different interns in the last few years – and many have gone on to receive rewarding career opportunities.

Students planning to stop by the firm’s booth should prepare in advance by checking out our website ([www.Kalejta.com](http://www.Kalejta.com)). We’re looking for students who have “done their homework” and who understand what makes us different.

Kalejta Financial Management will begin interviewing students for opportunities in March. The firm will hire one intern who will join our firm between May and August this year. Students looking for full time opportunities should also consider Kalejta Financial Management, since the firm is growing every year. Specifically, the firm seeks students who plan to become Series 7 registered upon graduating college.
