NAGDCA NAMES SAGEVIEW'S JAKE O'SHAUGHNESSY TO EXECUTIVE BOARD

IRVINE (October 9, 2019) – The National Association of Government Defined Contribution Administrators, Inc. (NAGDCA) elected its 2019-2020 governing officers and members-at-large at the organization's annual conference held last month in New Orleans, LA.

SageView Advisory Group Managing Director Jake O'Shaughnessy, CFA was elected as Industry Observer on the Board. Jake previously served as Industry President during the 2018-2019 year.

NAGDCA says those serving on the Executive Board represent the diversity of NAGDCA membership. This brings varying perspectives that will propel the association toward achieving its mission of being a premier provider of education, information and training to support plan sponsors and service providers of government-sponsored defined contribution retirement plans in creating successful retirement security outcomes for their plan participants.

"I am looking forward to continuing my work with the NAGDCA Executive Board to advocate for the retirement security of governmental defined contribution plan participants. NAGDCA maintains a demonstrated track record of impacting positive changes, and it is an honor to be able to represent the service provider perspective on the Board of this organization," commented Jake O'Shaughnessy.
