

## Welcome Friends,

**"A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing and the lawn mower is broken. - James Dent, author**

Don't you just love the relaxed feeling of a cool beverage, smoked Bar-B-Que and a gentle breeze on a hot summer day in July? The peace of mind that comes from relaxing and simply enjoying the long days of summer never felt so good.

Many investors are feeling the heat right now as markets experience volatility over the "Brexit." Please never forget that "this is what markets do" during times of uncertainty. My mission for each of my clients is to design and build a plan to protect your wealth and give you peace of mind throughout your life. The following article is meant to be your "cool beverage" should you be feeling the heat of today's global market.

Remember these eight points as you weather the current market volatility.

Most of us have experienced the frustration of being stuck in traffic, sometimes on a daily basis. Are you able to stay calm on the highways or are you prone to constantly change lanes without ever actually getting ahead? The following illustration is a painful reminder of what happens to many investors who "change lanes" by trying to "time" the market.
