

This year Golden Pond Wealth Management sponsored the 3rd Annual Putt 4 Cass event, in honor of Cassidy Charette, held Saturday, May 18th at Gifford's Famous Ice Cream & Mini Golf in Waterville, ME. The day was filled with mini golfers, team donors and over 20 volunteers who keep coming back to honor and remember Cass. "Events like Putt 4 Cass raise critical funding for our Big Brothers Big Sisters ShineOnCass youth mentoring programs at Messalonskee and Alford Youth Center. One day of mini golf at Gifford's raised \$15,000 for kids who just need a little extra support to reach their full potential. Because of Cassidy's passion for helping children, we are changing the lives of over 100 youth every year! Continued support from our friends at Golden Pond Wealth and many other partners make it happen. Her light is infinite!" said Monica Charette.
