I. Business Continuity Plan Introduction

This business continuity plan documents the response and recovery activities for Financial Freedom WMG, LLC, Corvallis Branch that conducts business in products that are available through LPL Financials platform. The purpose of this guidance and template is to document the plan for the recovery of our critical business functions and systems in the event of an unplanned significant business disruption.

II. Emergency Contact Persons

LPL Financial provides FINRA with the contact information for two (2) emergency contact persons to fulfill this requirement for all branch office locations under LPL Financial. These 2 emergency contact persons are registered principals for LPL Financial. LPL Financial maintains compliance by updating this information upon any material change and reviewing the information quarterly to ensure it is current.

Rule: FINRA Rule 4370(f); NASD Rule 1160.

III. Branch Policy

Our branch's policy is to respond to a Significant Business Disruption (SBD) by safeguarding employees' lives and our property, making a financial and operational assessment, quickly recovering and resuming operations, protecting all of our branch's books and records, and allowing our customers to transact business. In the event that we determine we are unable to continue our business, we will direct our customers to the LPL Financial service center at (800) 558-7567 for emergency assistance and access to their funds.

a. Significant Business Disruptions (SBDs)

Our plan anticipates two kinds of SBDs, internal and external. Internal SBDs impact only our branch's ability to communicate and do business, such as a fire in our building. External SBDs prevent the operation of the securities markets or a number of branches, such as a terrorist attack, a city flood, or a wide-scale, regional disruption. Our response to an external SBD relies more heavily on other organizations and systems, especially on our primary service provider, LPL Financial.

b. Approval and Execution Authority (On-site Manager/Advisor)

Jason Harris, VP/COO is accountable to review and approve the plan annually at a minimum or sooner if significant organization or operational changes occur.

Jason Harris, VP/COO has the authority to declare activation of this BCP and execute response and recovery activities.

c. Plan Location and Access

Management of this branch will maintain both hard and soft copies of its BCP plan and the annual reviews, and the changes that have been made to it for inspection. An electronic copy of our plan is located on: www.financialfreedomwmg.com Additionally, hard copies of the most current plan are distributed to the BCP approver, the Manager and other branch members responsible for executing response and recovery activities.

Rule: FINRA Rule 4370(b), (d) and (e).
