

2018 Annual Appeal YOUTH TALENT SHOW

Brian & Amy Bernatchez attended this year's Alfond Youth Center talent show and annual appeal. The new Whole Family Wellness Project was previewed, which will add 4,000 square feet of space dedicated to providing wellness to people of all ages. Again this year, Golden Pond Wealth Management committed to sponsoring 10 kids, allowing local youths to attend Camp Tracy.

"The Annual Appeal and Talent Show Dinner is always so exciting and one of our favorite nights of the year. We get to hear the inspiring stories of those being inducted into the Hall of Fame and be entertained by some incredibly talented youths from the AYC! We are proud to continue to make it possible for children to attend Camp Tracy" said Brian Bernatchez.
