March 19, 2020

Dear Wilshire Consultants Family,

We have had the opportunity and pleasure to provide personalized customer service in the areas of tax, business, and financial planning to our clients for forty-nine years and two generations. We are very fortunate to have the opportunity to carry on this tradition, but we also take the health and wellness of you, our clients, and our staff very seriously.

With the rapidly evolving situation in response to COVID-19, we have decided to temporarily limit foot traffic and receive clients "by appointment only" effective March 20, 2020. Please make an appointment to visit us between the hours of 8:30 AM and 5:30 PM Monday through Saturday or call or email us and one of our knowledgeable and trained staff members will be happy to assist you. This, of course, does not apply to clients delivering or picking up tax returns or tax return data.

This action will allow us to thoroughly sanitize during non-working hours and at appropriate intervals throughout the day allowing us to adhere to local, state, and federal guidelines.

You may reach us at (817)335-2864 or email us at info@wilshireconsultants.com. You may reach Rick at (817) 366-1099 or email at rick@wilshireconsultants.com. You may reach Chris at (817)946-1099 or email at chris@wilshireconsultants.com. We are open for business but just taking some extra safety precautions. We look forward to hearing from you soon.

Sending you wishes of good health-
