DRG DENTAL RESOURCE GROUP

The Dental Resource Group is a gathering of independent professional advisors to dentists. Our purpose, internally, is to stay abreast of current events, educate one another, share ideas and to stay connected to the profession that we all serve. Externally, we seek to add value by providing opportunities for dentists to engage with multiple dental advisors from a number of different disciplines.

Davis & Towle Group has grown to one of New Hampshire's largest locally owned insurance agencies. Serving both commercial and personal insurance customers from five locations in Concord, Amherst, Henniker, Hillsboro and Franklin, Davis & Towle has built a tradition of dependable service, quality insurance products, and strong relationships.

Exclusively endorsed by the New Hampshire Dental Society for over 40 years, Davis & Towle provides insurance to nearly 400 dentists for all their practice needs. As the only agency with access to the Professional Protector Plan® for Dentists in New Hampshire, Vermont, and Massachusetts, Davis & Towle offers a customized insurance solution and a dedicated dental malpractice team to advise our clients on their unique insurance needs.

As director of the Professional Insurance Department, Shelley Fontaine has over 15 years of insurance and risk management experience. Dedicated exclusively to dentists and dental practices, Shelley believes in building strong relationships with her clients and the dental community and delivering professional and friendly service.

As account manager of the Professional Insurance Department, Laura Benjamin offers 11 years of insurance experience and works exclusively serving the needs of dentists. Laura provides friendly, professional service to her clients that they can count on every time they call.

The Dental Resource Group (DRG) is comprised of separate independent individuals and businesses and the relationship of the members of DRG does not and is not intended to create a partnership, joint venture or any other business relationship among its members.
