

Equity, ETF, and Option Transaction Fees Are Now Eliminated

Northville, Michigan (January 21, 2020) – Great Lakes Wealth is pleased to announce that effective January 21, 2020:

- Trading and transaction fees are being eliminated for equities, ETFs and options trades
- The options contract fee is being reduced from the current \$1 fee per contract to \$0.65

“This is yet another example of our commitment to deliver Wall Street solutions with Main Street values to our clients,” Dewey D. Steffen, CEO/CIO of Great Lakes Wealth, said. “We appreciate the efforts of our custodian, Raymond James, in working with us to make this happen for our clients.”

These changes will lower the cost of investing and trading, ultimately delivering greater value to Great Lakes Wealth’s clients, both current and future.
