

## HOW TO CLAIM YOUR CONTRIBUTION

When You File With the IRS Be Sure To Include:

- The date of your contribution
- A description of the condition of each item donated

For your convenience, here is a list of items commonly donated along with the price range of what they sell for in second hand stores. Of course, the value of an item is based on its condition, age, antique value, cleanliness and original sale value. **This list is only a guide to help you.** The IRS usually allows 10% of an item's original value to be claimed for tax purposes.
