

Bert Languet, CFP®, Paige Phillips and Danielle Amerault attended the 2018 Focus Conference hosted by LPL Financial in Boston, MA. The #1 priority at this year's conference was to make it easier for financial advisors and their staff to do business with LPL—which makes it possible to give our clients the service they deserve.

“This year was my first time attending Focus. The classroom sessions LPL offered were exactly what I was hoping for. Technology is more prevalent than ever and it was important to me to listen to the top LPL Technology experts speak on important issues such as cyber-security and ways to make the internet a safe place for our staff and our clients.” said Danielle Amerault, Golden Pond Wealth Management’s Operations Manager.
