

Medicare Open Enrollment Begins October 15

What is the Medicare Open Enrollment Period?

The Medicare Open Enrollment Period is the time during which people with Medicare can make new choices and pick plans that work best for them. Each year, Medicare plan costs and coverage typically change. In addition, your health-care needs may have changed over the past year. The Open Enrollment Period is your opportunity to switch Medicare health and prescription drug plans to better suit your needs.

When does the Open Enrollment Period start?

The Medicare Open Enrollment Period begins on October 15 and runs through December 7. Any changes made during Open Enrollment are effective as of January 1, 2019.

During the Open Enrollment Period, you can:

- Join a Medicare Prescription Drug (Part D) Plan
- Switch from one Part D Plan to another Part D Plan
- Drop your Part D coverage altogether
- Switch from Original Medicare to a Medicare Advantage Plan
- Switch from a Medicare Advantage Plan to Original Medicare
- Change from one Medicare Advantage Plan to a different Medicare Advantage Plan
- Change from a Medicare Advantage Plan that offers prescription drug coverage to a Medicare Advantage Plan that doesn't offer prescription drug coverage
- Switch from a Medicare Advantage Plan that doesn't offer prescription drug coverage to a Medicare Advantage Plan that does offer prescription drug coverage

What should you do?

Now is a good time to review your current Medicare plan. As part of the evaluation, you may want to consider several factors. For instance, are you satisfied with the coverage and level of care you're receiving with your current plan? Are your premium costs or out-of-pocket expenses too high? Has your health changed, or do you anticipate needing medical care or treatment?

Open Enrollment Period is the time to determine whether your current plan will cover your treatment and what your potential out-of-pocket costs may be. If your current plan doesn't meet your health-care needs or fit within your budget, you can switch to a plan that may work better for you.
