September 21, 2017

Mid-Maine Homeless Shelter Hosted its 20th anniversary golf tournament on September 21st. They made their \$50,000 match and had a fun event with many local businesses contributing to the success of the event. Golden Pond Wealth Management was pleased to be a sponsor for the event.

Every dollar raised supports growth and development of homeless youth and families in our community. In the last 3 years, 98% of MMHS guests are still stably housed 1 year later. MMHS continues to provide this amazing journey of hope while rebuilding lives! Thank you Mid-Maine Homeless Shelter for all you do!
