

The DeMinno CPA Firm, PC New Service - Preferred Client Pricing **VIP Transcript Monitoring Service**

With this new service through the IRS, we are able to engage in ongoing monitoring of your account.

Transcript Monitoring Includes:

- Monitoring your IRS transcripts for filing compliance, additional assessments, and resolution status
- Immediate notification if your account has been compromised or tax ID theft has been detected
- Quick reaction to IRS notices
- Notification of audits, liens, collections, compliance, and significant balance changes
- New agreement negotiations when necessary
- Special VIP pricing for our clients

•••
Sign up today and we'll be here to monitor any IRS issues that may appear on your account.
