### **LANCE A. BROWNING, RICP HONORED AS 2016 FIVE STAR WEALTH MANAGER**

**TYLER, TX – March 30, 2016** –Lance A. Browning, RICP from Income Solutions Wealth Management was recently recognized as a Five Star Wealth Manager, a distinction awarded to less than seven percent of wealth managers in the Dallas/Ft. Worth metropolitan area by Five Star Professional, a third-party research firm. To be considered for the recognition, financial advisors are evaluated on key factors, such as industry credentials, length of service in the industry, client retention rates, education and professional designations and client assets administered, to identify those who provide quality service to their clients.

“I have focused on providing personal service, innovative strategies and objective financial guidance to my clients for the past 19 years, and it is an honor to be recognized for those efforts,” said Browning.

Browning is an LPL Financial-affiliated advisor. LPL is a leader in the financial advice market and provides resources, tools and technology that enable advisors in the delivery of personal, objective financial advice.

Five Star Professional is a third-party research firm. It collects nominations from peers and firms, including financial planners and advisors, CPAs and estate planning attorneys; self-nominations are not accepted. Nominees are evaluated based on 10 criteria, such as credentials, experience and assets under management, to determine overall performance and satisfaction. After review by a panel of local industry experts and a review of a professional’s regulatory history, Five Star Professional determines its final list of Five Star Wealth Managers. Wealth managers do not pay a fee to be considered or placed on the final list of 2016 Five Star Wealth Managers for a particular region.
