

We are excited to announce the rebranding of our team at Waddell & Reed, from the Feuerstein Group to **Values & Vision**.

**Our defining mission, your “Values” remains our focus first and foremost. Our commitment is to deliver financial plans and strategies creating our “Vision” toward realizing your financial goals.**

While references to the Feuerstein Group will remain, the Values & Vision name will soon be on correspondence. This will include your [Financial Planning Wealth Management site](#), statements, and [social media](#). Our website, remains [Yourvaluesourvision.wrfa.com](http://Yourvaluesourvision.wrfa.com)

Our association with Waddell & Reed has **NOT** changed. Nothing has changed with your accounts, financial advisor or our location.
