

March 6th, 2020

An Announcement from Medicare.gov

"You've likely heard about the Coronavirus (officially called "2019-Novel Coronavirus" or "COVID-19") in the news. While there isn't a vaccine yet and the immediate health risk remains low, Medicare is still here to help.

Your Medicare Part B (Medical Insurance) [covers a test to see if you have Coronavirus.](#) This test is covered when your doctor or a health care provider orders it, if you get the test on or after February 4, 2020. You usually pay nothing for Medicare-covered clinical diagnostic laboratory tests.

To prevent the spread of this illness or other illnesses, including the flu:

- Wash your hands often with soap and water,
- Cover your mouth and nose when you cough or sneeze,
- Stay home when you're sick, and
- See your doctor if you think you're ill.

Visit [The Centers for Disease Control](#) website for information on the Coronavirus.

Note: Your provider will need to wait until after April 1, 2020 to submit a claim to Medicare for this test."

If you have any further questions or concerns, please click the link below or call your consultant at (603) 569-6464.

Thank you for your business,
The Doran Team
