

## Adding Accounts to your Website

In this userguide, we will demonstrate how to establish a connection with your personal banking institutions. A connection is a direct link with an institution that feeds over updated account information.

1. From your home page, click **Organizer**.

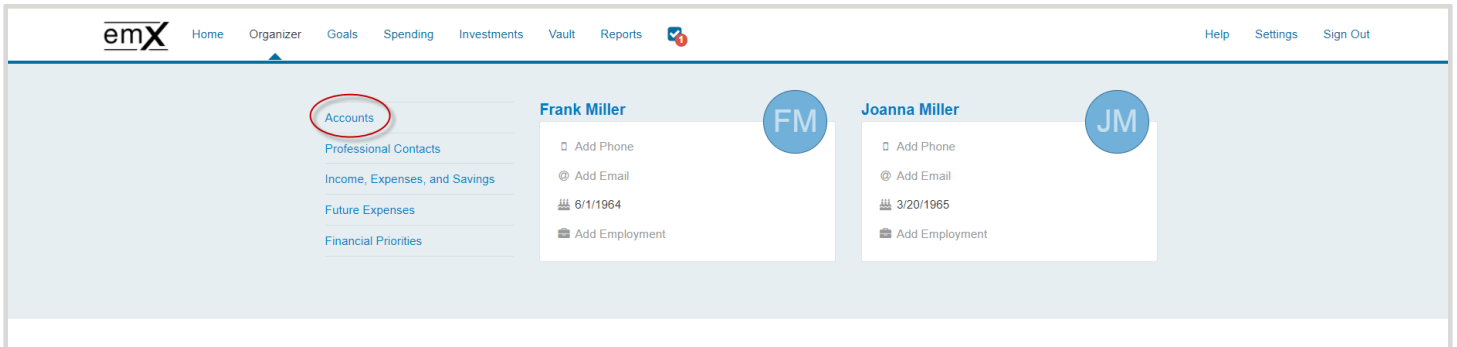

The screenshot shows the emX website dashboard for Frank and Joanna McMiller. The navigation menu at the top includes Home, Organizer (highlighted with a red circle), Goals, Spending, Investments, Vault, Reports, and a notification bell. The dashboard features several key sections:

- Accounts:** A list of account categories with their current balances: Cash (\$39,365), Credit Cards (\$0), Investments (\$1,010,463), Life Insurance (\$35,500), Loans (\$0), Property (\$1,295,000), and Stock Options (\$0). A '+ Add Account' link is visible at the top right of this section.
- Net Worth:** A blue box showing a total net worth of \$2,380,328 as of today. It also indicates a change of \$109,876 this month and \$109,876 year to date.
- Investments:** A green box showing a total investment value of \$1,019,838 as of today. It also indicates a change of \$9,375 and a 0.93% change.
- Goals:** A section titled 'Goals as of today' with a 'View All' link. It includes two goal progress bars: 'Retirement 2019 - 2050' with 'Projected Funding 27 of 32 years' and 'Education Expense 2017 - 2019' with 'Projected Funding \$0 of \$0'.
- Spending:** A section titled 'Spending' with a 'View All' link, showing a horizontal bar chart with three segments in green, red, and blue.

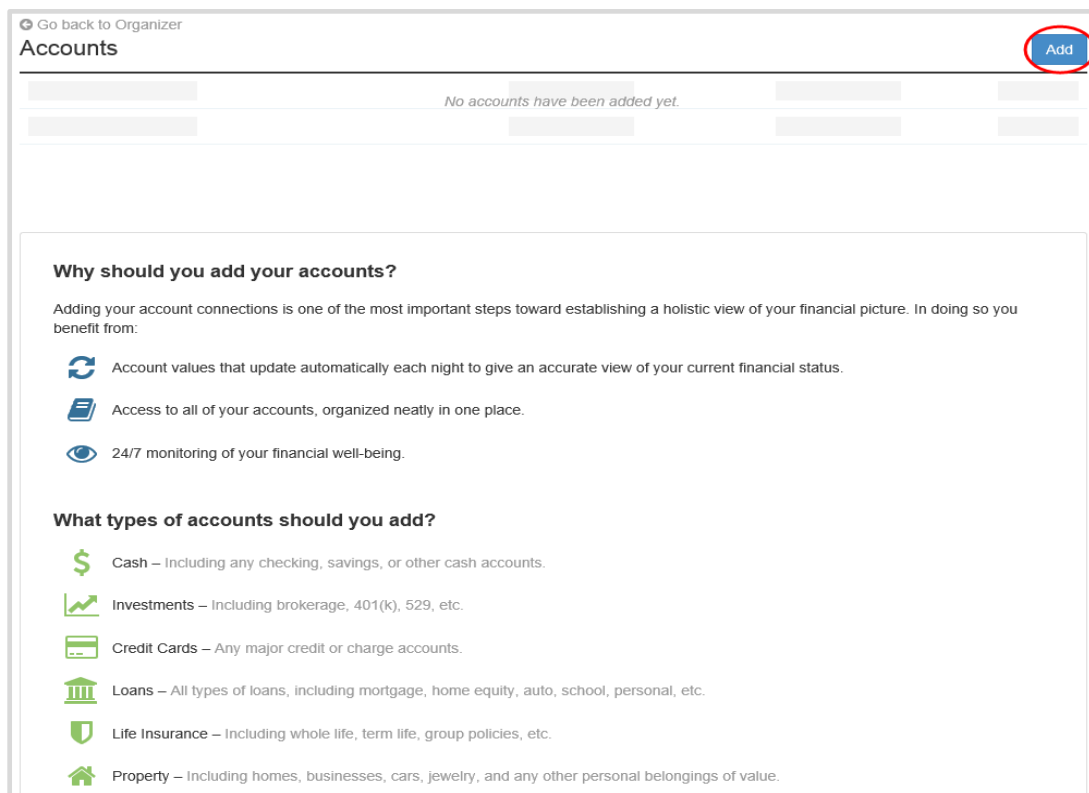

You can also click the +Add Account link from the home page!

## Adding Accounts to your Website

11. Each connection you establish will have its own specific maintenance required. For example, if you updated your password on the institution you will need to then update the credentials in your portal.

You can **Delete** the connection, **change your settings**, **find new accounts**, and **refresh** the connection at any time to pull over updated account values.

## Adding Accounts to your Website

12. The settings link gives you the option to enable your Advisor to find new accounts on your behalf.

**SET ADVISOR PERMISSION** ✕

Do you want your Advisor to be able to find accounts from **eMoney Advisor Source (EMA)** - **Client Access** in the future?

No, only I can find new accounts from this institution.

Yes, my Advisor can find new accounts from this institution.  
Your advisor will have the ability to find newly available accounts as well as existing accounts you may have intentionally excluded.
