

**ALFOND FUND**

**Third Annual**

## **Alfond Classic Golf Tournament**

Golden Pond Wealth Management helped sponsor the Third Annual Alfond Classic Golf Tournament, held on July 19th at the pristine Belgrade Lakes Golf Club in support of The Alfond Fund. The Alfond Fund, is the University of Maine's athletic fundraising program which benefits the hundreds of scholar athletes who compete as UMaine Black Bears.

The annual tournament raised over \$100,000.

"The Alfond Classic has become a favorite tournament for many Maine golfers because it supports Black Bear Athletics and because it brings us to Belgrade Lakes Golf Course" said Dr. George Jacobson Jr.. Our Golden Pond Wealth Management team has played together for the past two tournaments, with some success- winning this year and finishing second last yr. We proudly wear the "Golden Pond" colors, and are grateful for the company's generous, consistent support of Black Bear Athletics."

"The tournament included 205 golfers, 52 volunteers, 300 lobster rolls and an immeasurable amount of camaraderie among Black Bears! Thanks to generous sponsors, the student athlete experience will be enhanced at the University of Maine. We are grateful for another successful event and we look forward to growing the event to be even larger next year" said Buffie Quinn, Assistant Director for Athletic Advancement.
