Bofl Advisor's relationship with your Investment Professional is through a joint marketing agreement for the evaluation of banking products only. Otherwise, there is no affiliation.

Bank products and services are offered by Bofl Federal Bank. All deposit accounts through Bofl Federal Bank brands are FDIC insured through Bofl Federal Bank. All deposit accounts of the same ownership and / or vesting held at Bofl Federal Bank are combined and insured under the same FDIC Certificate 35546. All deposit accounts through Bofl Federal Bank brands are not separately insured by the FDIC from other deposit accounts held with the same ownership and / or vesting at Bofl Federal Bank.

1 Federal regulations limit certain types of transfers from a money market or saving account to a combined maximum of six per month. If the limit is exceeded, an excess fee for each withdrawal or transfer over the limit will be assessed. If transfers exceed this limit more than occasionally, we will convert the account to a type not subject to transfer limits or close the account. See our Deposit Account Agreement and Disclosures for details.

2 Must be new funds to receive stated rate. NOTE: "New Funds" is defined as funds that did not originate from another Bofl Federal Bank Brand.

3 The Annual Percentage Yield (APY) is accurate as of 1/24/2018. The interest rate and corresponding APY for savings and money market accounts are variable and are set at our discretion. Interest rates may change as often as daily without prior notice. Fees may reduce earnings.

4 We use the daily balance method to calculate the interest in your account. This method applies a daily periodic rate to the daily collected balance in your account. The Collected Balance is the balance of all deposits in your account on which we have received credit for the deposited funds (determined by the availability schedule of our Federal Reserve Bank for non-cash items). All Checking and Savings accounts are variable rate accounts. Time Deposit rates are fixed for the term of the certificate. Time Deposits require a substantial penalty for early withdrawal. Please refer to the Deposit Account Agreement and Disclosure for further information.
