The receiving actuary is required to prepare a matching valuation of the prior year actuarial reports. Farmer & Betts will contact you if the actuary requires additional information or if time is expected to exceed 5 hours.

I hereby certify that the above items have been provided and request that Farmer & Betts actuarial service review my plan with the intent to takeover administration services. I agree to the Takeover Review fee of \$400 per hour, minimum 2 hours. This should be considered an independent compliance review to assess the overall health of the plan. Fees will apply based on time spent, regardless of the actuary's ability to produce a matching valuation to takeover services.
