Timothy Herbert Financial Group Sponsors Cystic Fibrosis Foundation GREAT STRIDES Walk in Rochester

Local Fund-raiser Part of Nationwide Effort to Battle Life-threatening Disease

Auburn Hills, MI — Timothy Herbert Financial Group will be a team sponsor of the Cystic Fibrosis Foundation GREAT STRIDES Walk, the largest CF fund-raiser in the country. GREAT STRIDES raises critical funds for life-saving research, education and care programs for cystic fibrosis, a fatal genetic disease.

In Rochester, participation in GREAT STRIDES is expected to break attendance records this year. The walk is Saturday May 15th, 2010 at the Municipal Park in downtown Rochester at 10am.

Tim Herbert of Timothy Herbert Financial Group has close friends whose child was diagnosed with cystic fibrosis and wanted to show his active support through sponsoring the Great Strides Walk. Herbert's firm has sponsored in past years, but this year he wanted to make a greater commitment. "Cystic Fibrosis is a such a difficult disease for a parent to have their child diagnosed with. The scary part with this diagnosis is the time you will have with your child won't be enough. It is important to me that we get involved in funding the research to improve the length and quality of these kids' lives."

The CF Foundation has been recognized as one of the most efficient charities in the country. Nearly 90 cents on the dollar raised by the CF Foundation is available to fund CF research and care programs. "As a sponsor, it's good to know that the majority of the money donated goes toward the research of the disease," says Herbert.

Fifty years ago, most children with CF did not live long enough to attend elementary school. Today, as a result of dramatic improvements in research and care, the median age of survival is more than 37 years old. To help fight CF, get involved in GREAT STRIDES by calling Metro Detroit – Northwest Ohio CFF Chapter at 248-269-8759 or by visiting <http://greatstrides.cff.org>.

About the Cystic Fibrosis Foundation

The Cystic Fibrosis Foundation is the leading organization devoted to curing and controlling cystic fibrosis. Headquartered in Bethesda, Md., the Foundation funds CF research, has more than 80 chapters and branch offices throughout the country, and supports and accredits a nationwide network of more than 115 CF care centers, which provide vital treatments and other CF resources to patients and families.
