

Golden Pond Wealth Management helped sponsor this year's MaineGeneral Health's Cakes for a Cause event. The event raised a total of \$53,240 benefiting MGH Hospice, Edmund Ervin Pediatric Center, Alzheimer's Care Center and Healthy Living Resource Center. Golden Pond Wealth Management sponsored a cake that was created by Dean Bureau, former owner of Uncle Dean's Good Groceries in Waterville. Dean went all in on integrating healthy ingredient substitutions. All his cake decorations were hand-made out of edible materials and that fish bowl underneath has real swimmers in it! Hospice was the big winner for the night. They raised enough to be the winners of the additional \$5,000 bonus from Kennebec Savings Bank. "The evening was a success and Golden Pond's investment at the outset help lay the foundation that allowed it all to come together" said Chelsea Moeller, Director of Philanthropy for Maine General.

Our very own Holly Caron holds a dear spot in her heart for Hospice "I was so pleased to see that the fundraising for hospice was a success at Cakes for a Cause. When I needed hospice care for my daughter, the team from MaineGeneral Health came in and did amazing work caring for our family. We could not have managed to keep our daughter home during her last days without this team of professionals" said Caron.
